CASINO LICENSE AGREEMENT

This Agreement is entered into on 26/06/2020 by and between

License Applicant: **Infinite gaming bet cop Inc.**

Address: **777 Soi Sukhumvit 21, Khwaeng Khlong Toei Nuea, Khet Watthana, Bangkok 10110, Thailand**

License Issuer: **World Lottery Association (WLA)**

Address: **World Lottery Association Avenue de Provence 14 Case postale 6744 1002 Lausanne, Switzerland**

WHEREAS, the License Applicant is seeking authorization to operate a casino in accordance with applicable laws and regulations.

WHEREAS, the License Issuer is duly authorized to issue licenses for the operation of casinos in accordance with applicable laws and regulations.

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Grant of License:

- The License Issuer hereby grants the License Applicant a non-exclusive license to operate a casino in accordance with the terms and conditions set forth herein and in compliance with all applicable laws and regulations.
- The license shall be valid for a period of 3 Year and may be renewed subject to the terms and conditions specified herein.

1. Compliance with Laws

1.1 The License Applicant agrees to comply with all laws, regulations, and ordinances applicable to the operation of a casino, including but not limited to, gaming laws, taxation laws, and anti-money laundering laws.

1.2 The License Applicant shall promptly inform the License Issuer of any changes in laws or regulations that may affect the operation of the casino.

2. Operational Standards

2.1 The License Applicant shall operate the casino in a manner that promotes responsible gambling and minimizes the risk of problem gambling.

2.2 The License Applicant shall implement robust security measures to ensure the safety and security of customers and employees within the casino premises.

3. Taxation and Reporting

3.1 The License Applicant agrees to pay all applicable taxes, duties, and fees associated with the operation of the casino in accordance with the laws of Asia Pacific.

3.2 The License Applicant shall maintain accurate records of all financial transactions and shall provide regular reports to the License Issuer as required.

4. Marketing and Promotion

4.1 The License Applicant shall conduct marketing and promotional activities in accordance with applicable laws and regulations, and shall not engage in any deceptive or misleading practices.

4.2 The License Applicant shall obtain all necessary approvals and permits for any marketing or promotional activities conducted in connection with the casino.

5. Termination

5.1 Either party may terminate this Agreement upon written notice to the other party in the event of a material breach of any provision herein.

5.2 Upon termination of this Agreement, the License Applicant shall cease all operations related to the casino and shall return the license to the License Issuer.

6. Responsibility for Responsible Gambling

6.1 The organization and the licensee affirm that gambling activities shall be conducted responsibly, within appropriate time limits, and in compliance with prescribed regulations.

6.2 Vigilance and control over gambling-related issues affecting society and individual well-being within the community shall be adequately supported and addressed by the organization and the licensee.

7. Risk Assessment and Improvement

7.1 The organization and the licensee agree to be aware of potential risks associated with their casino operations and commit to promptly and appropriately address and mitigate such risks.

7.2 Risk assessments shall be conducted according to industry-accepted standards, and reports shall be provided to the organization or relevant authorities as required.

8. Promoting Awareness and Preventing Addiction

8.1 The organization and the licensee shall promote awareness and provide support for responsible gambling practices, including offering counseling and assistance to customers displaying signs of addiction.

8.2 Provision of mental health services and counseling shall be integrated into casino services for the well-being of customers.

9. Compliance with Legal Requirements and Research Support

9.1 The organization and the licensee shall adhere strictly to all relevant laws and regulations governing casino operations and gambling activities.

9.2 Support for research activities aimed at enhancing understanding and improving vigilance and prevention measures against gambling addiction among players shall be actively pursued and integrated into operations.

10. Supporting Vulnerable Groups

10.1 The organization and the licensee shall provide adequate support and assistance to individuals identified as vulnerable to gambling-related harm, including offering counseling services and implementing protective measures as required by law.

10.2 Support for vulnerable groups shall adhere to legal requirements and relevant guidelines, with a commitment to consistency and reliability.

11. Data Security Measures

11.1 The organization and the licensee shall implement robust data security measures in compliance with applicable laws and regulations.

11.2 Data collection, storage, and processing concerning customer information shall be conducted securely and in accordance with data protection laws and regulations.

12. Compliance with Local and International Regulations

12.1 The organization and the licensee shall comply with local and international regulations governing casino operations and gambling activities.

12.2 Efforts to comply with regulations to mitigate legal risks and prevent violations shall be consistently and diligently pursued.

13. Reporting and Evaluation

13.1 The organization and the licensee shall regularly report as required by the organization and relevant regulatory bodies.

13.2 Evaluation of casino operations shall be conducted periodically to facilitate continuous improvement and effectiveness.

14. Supporting Local Community Initiatives

14.1 The organization and the licensee shall support and promote initiatives beneficial to the local community and society in areas where the casino operates.

14.2 Community service and support initiatives shall be an integral part of casino operations.

15. Licensing and Renewal Procedures

15.1 Licensing and renewal processes shall comply with relevant laws and regulations, and no regulations shall be violated during these procedures.

15.2 Renewal of licenses shall adhere to regulations and measures in advance.

16. Compliance with License Renewal and Cancellation Laws

16.1 The organization and the licensee shall comply with laws relevant to license renewal and cancellation, ensuring adherence to all regulations and requirements without any breach of protocol.

16.2 Communications regarding license renewal and cancellation shall be thorough, timely, and in full compliance with legal obligations, ensuring all relevant parties are promptly informed of any changes.

17. Consultation and Training Provision

17.1 The organization and the licensee shall provide consultation and training for casino staff to enhance professionalism and understanding of their roles within the casino environment.

17.2 Training programs shall include assessments to ensure staff possess adequate knowledge and skills required for their duties.

18. Access Control and Noise Management

18.1 The organization and the licensee shall implement access control measures to prevent unauthorized entry to casino premises, safeguarding the integrity of operations.

18.2 Management of noise levels within casino premises shall be maintained at appropriate levels, ensuring minimal disruption to customers and neighboring communities.

19. Services for High-Risk Groups

19.1 The organization and the licensee shall provide tailored services and support for high-risk groups, including counseling and assistance for individuals demonstrating problematic gambling behavior.

19.2 Support for high-risk groups shall comply with legal requirements and best practices, ensuring consistency and reliability in service provision.

20. Monitoring and Evaluation

20.1 The organization and the licensee shall establish monitoring and evaluation mechanisms to assess casino operations regularly, ensuring compliance with regulations and standards.

20.2 Evaluation outcomes shall inform continuous improvement efforts, fostering enhanced efficiency and effectiveness in casino operations.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.
